Easylink

Your daily shopping service

Community Transport runs a weekday minibuss service called Easlink, picking you up from your door and taking you on a return trip to a large supermarket.

Our minibuses are wheelchair accessible and our friendly driver will help you on and off the bus and to your door.

This is a great opportunity for people who find difficult or impossible to use the public transport and they would like to have some time out, not only for shopping but also to have a relaxing cup of coffee and make some new friends during the journey.

Call us today to register and find out more details about the service: 01273 677559
